INTRODUCTION

STUDENT COMPLIANCE WITH HANDBOOK REGULATIONS
This Handbook will guide you through the Institute of American Indian Arts’ (IAIA) established policies and regulations for expected student behavior, activities, and student living. The policies and regulations set forth in this Student Handbook govern student behavior while on IAIA property and during any IAIA activity whether on or off IAIA property. The provisions in the Handbook are not to be regarded as a contract between the students and IAIA. The College may revise the Student Handbook at anytime and may also issue new regulations. Normally, these changes and new regulations will become part of this Handbook after official notice.

All students are expected to both read and become familiar with the policies and regulations which apply to all IAIA students and visitors.

VISITOR COMPLIANCE WITH HANDBOOK REGULATIONS
Visitors to IAIA must be invited by IAIA or by a current student. While on campus, visitors must abide by the procedures and standards set forth in this handbook. It is the responsibility of the student who has invited a visitor to ensure that the visitor adheres to this handbook. IAIA Security is authorized by IAIA to remove uninvited individuals and visitors from IAIA for failing to abide by any of the IAIA’s policies and regulations.

PURPOSE OF HANDBOOK STANDARDS
IAIA is dedicated to the study, creative application, preservation, and care of Native arts and culture through education. We believe education is the future of Indian people and our Indian Nations. The standards set forth in this handbook are intended to create an environment that fosters creativity, academic learning, and excellence, and where dissent and disagreement can be handled in a respectful way. We believe that out of respect comes change that is creative and positive. In the words of Wilma Mankiller, former Chief of the Cherokee Nation, “As Indian people, we all have the responsibility to honor our ancestors by helping to keep our communities and each other strong.” Practice centuries of tradition by respecting yourself and others, and take responsibility for your educational experience at IAIA and your future. Your success is the success of all Native American peoples.

Reserves – Faculty may place items on reserve for classes they are teaching. Reserve items can include personal copies of items that faculty wish to make available for their students to use, as well as items from the library collection.

Study Rooms – These spaces are available for student use and are available during the library’s open hours. Students who wish to use a study room may enter any unoccupied room, or they may reserve a room in advance by contacting a library staff member. During the weeks of midterms and finals, only students may reserve rooms.

ORIENTATION
Orientation provides a solid learning community for social networking, orientation to college life, and support for a successful transition. The Student Success Center and Orientation Staff work hand in hand to provide a well-rounded structure of support for student success. IAIA prides itself on helping its students transition into college life by offering workshops that give students the opportunity to adjust to IAIA, meet other students, and get comfortable with the IAIA Community.

Education is a journey, and it begins with a first step. Along this educational journey will be excitement, risk-taking, challenges, and opportunities. At IAIA, staff and faculty see the success of our students as our primary purpose. Once students apply to IAIA, they begin their journey with us. Upon acceptance, students begin to receive our materials about campus housing, financial aid, scholarship opportunities, and academic program information. Orientation is mandatory for all New Freshmen. Transfer Orientation is a ½ day optional for returning and transfer students. Please visit our schedules at: https://iaia.edu/student-success-center/orientation/

The Student Success Center includes comfortable living room couches, chairs, and kitchen, where students can share a meal or study. It also houses the Learning Lab (Tutoring Center), which provides professional tutoring at no cost to the students.

SWEAT LODGES
Individuals requesting to use the sweat lodge on campus must be affiliated with the Institute of American Indian Arts. The following are the procedures to use the sweat lodge:

- Pick up and return a completed Sweat Lodge Request Form to Student Life for approval from the Dean of Students. Approval may depend on whether Student Life has a current Santa Fe County Fire Department fire permit on file.
- A Request Form must be submitted at least 3 days prior to the requested date so that a fire permit can be obtained, if necessary.
The person pouring for the ceremony must provide a personal statement which includes the kind of lodge that will be conducted. Notify IAIA Security and housing staff of the date/time and contact person of an approved sweat lodge use and when the Ceremonial fire is lit and extinguished.

Sweat lodge participants and the fireman are to be alcohol and drug free for at least four (4) days prior to the ceremony. Participants are expected to help in the ceremony from the beginning to the end, which will include cleaning and preparing the lodge area, chopping wood, preparing food, clean-up, etc. Leaving the sweat lodge area dirty will result in future requests being denied.

Preferred clothing to be worn in a mixed lodge by women is a cotton dress or skirt with shoulders covered.

Jewelry is to be removed before entering the lodge.

A woman going through her natural purification time (Moon) should not be near or participate in the ceremony.

The sweat lodge will remain covered during the semester as long as it is being used regularly.

The sweat lodge area is on IAIA premises and IAIA policies, including but not limited to those limiting and prohibiting alcohol and drugs apply to the sweat lodges.

Bring prayerful thoughts to the lodge.

A fire extinguisher should be available during use of the sweat lodge. Fire extinguishers are available through the Student Life office.

Make sure the fire is completely extinguished before leaving the sweat lodge area.

Inform IAIA Security when the ceremony has ended and the area is cleaned and everyone has left the area.

Concerns regarding the sweat lodge should be referred to the Dean of Students (e.g. wood, tarps, building additional lodges, dismantling a lodge, making changes to the lodge area, etc.)

All students who enter the Institute of American Indian Arts are presumed to be mature adults who will conduct themselves as adults and will be responsible for their behavior and actions. Each student is expected to act reasonably, live within the guidelines of the Institute’s policies and regulations, and respect the rights of others. Among the rights of each student at IAIA is the right to an atmosphere conducive to study, the right to security and privacy, and right to respect.

ANTI-BULLYING POLICY
Bullying is unwanted, aggressive behavior that is repeated or has the potential to be repeated. Many states and federal laws address bullying by adults after the age of 18 as hazing, harassment, and stalking.

There are four (4) types of bullying/harassment:

- **Verbal**: Teasing, name-calling, inappropriate sexual comments, taunting, and threatening to cause harm.
- **Social**: Damaging the reputation or relationship of others, excluding someone intentionally, telling others not to be friends or associate with someone, spreading rumors about someone, and embarrassing someone in public.
- **Physical**: Hurting a person’s body or possessions, which includes; hitting/kicking/pinching, spitting, tripping/pushing, taking or breaking someone’s things, and making inappropriate hand gestures.
- **Cyberbullying**: Hurting someone by using electronic technology. Electronic technology includes devices and equipment such as cell phones, computers, and tablets as well as communication tools including social media sites, text messages, chat, and websites. Examples of cyberbullying include offensive text messages or emails, rumors sent by email or posted on social networking sites, and embarrassing pictures, videos, websites, or fake profiles.

*How to Get Help*
- Talk to someone you trust.
- Reach out to the IAIA Counselors.
- Determine if the behavior violates campus policies or laws by reviewing the Student Code of Conduct, state criminal laws, civil rights laws, and in the case of cyberbullying, review the IAIA Network, Computer and Communications Device Acceptable Use Policy.
- Make a report to the Dean of Students who will discuss the range of resources and alternatives available, which includes the right to make a report to law enforcement authorities. In the case of cyberbullying, the right to make a report to online service providers.
- Upon receiving a written report, the Dean of Students will conduct an investigation and determine if a violation of the violence policy has taken place and will apply disciplinary sanctions.
- Whether or not criminal proceedings are initiated, campus disciplinary proceedings will take place.

*Consequences for Bullying*
Bullying is considered violence and IAIA doesn’t condone violence in any form toward any community member; faculty, staff, or students. Violation of the violence policy may involve disciplinary action such as, but not limited to, probation, counseling, and immediate suspension or expulsion from student housing and/or the IAIA program.
The Institute of American Indian Arts is a drug and alcohol free campus.

To help ensure the safety and well-being of our community IAIA will take disciplinary action against students, faculty or staff who use, distribute, are under the influence of, or possess illicit drugs or alcohol on the IAIA campus or during any IAIA sponsored activities (on or off-campus) or who violate state, federal or IAIA alcohol and substance abuse laws and regulations. Accordingly, IAIA maintains a two-strike policy (see Two-Strike Policy) towards drugs and alcohol.

a. Students shall not use, possess, manufacture, dispense, sell, distribute or be under the influence of any State or Federally controlled substances or drug paraphernalia on IAIA premises or property controlled by the IAIA, except as authorized by law.

b. “Controlled Substances” means those substances identified in Schedule I through V of section 202 of the Controlled Substances Act, 21 USC S 812 (United States Code, Title XXI, Chapter 13) or its implementing regulations, 21 CFR Sections 1308, 11 to 1308.15 where the use is neither authorized by law nor a valid prescription, or the misuse of a legal substance, including but not limited to alcohol or prescription drugs, that may affect an individual’s ability to participate in IAIA programs in a safe, adequate and secure manner.

• Controlled substances include, but are not limited to, marijuana, barbiturates, anabolic steroids, cocaine (including crack), amphetamines, heroin, PCP, hallucinogens, and certain prescription drugs.

c. The unauthorized use, manufacture, distribution, dispensation, sale, possession, or transfer of controlled substances (as prescribed by the Controlled Substances Act or identified in Schedules I through V of this Act as described above) on IAIA premises constitutes a violation of this policy.

• Such violation may result in disciplinary action up to and including dismissal, reprimand, or expulsion from IAIA programs and referral for investigation and/or prosecution by law enforcement agencies for violation of the standards of conduct.

d. Substance use & abuse also includes unauthorized use or possession of or being under the influence of alcohol, alcoholic beverages, or illegal substances on IAIA premises or property controlled by IAIA.

• Being under the influence means having consumed alcohol or drugs (on or off campus) to the degree that mental or motor skills are impaired and as demonstrated by: slurred speech; unsteady gait; loud voice; impaired motor control or clumsiness; flushed face; bloodshot eyes and/or smell of alcohol or drugs.

e. “On IAIA premises or property controlled by IAIA” means:

• Any building owned, leased or used by IAIA; in any IAIA owned vehicle or in any other IAIA approved vehicle used to transport students to and from IAIA activities; off IAIA property at any IAIA – sponsored or approved activity, event or function, such as field trip or athletic event, or during any period of time IAIA employees are supervising students on behalf of IAIA or otherwise engaged in IAIA business.

f. Prescription drugs, so long as these drugs do not adversely affect the student’s ability to perform in a safe and secure manner, may be used on the school site but only by the person for whom they were prescribed. When such legal drugs are to be used at the work or school site and will affect performance, students must inform their work-study supervisors. This policy will apply to the misuse of legal drugs.

g. The IAIA will confiscate alcoholic beverages and/or illegal drugs and drug paraphernalia found on campus. Such materials may be held by the IAIA for evidence, if necessary. A record will be made of the type of material(s) seized, and the names of witnesses.

The IAIA will contact the proper law enforcement agencies to investigate the distribution of alcohol to minors (under 21) and the distribution of controlled substances to the community. Procedures for handling violations of the Alcohol and Substance Abuse
Policy can be found under the INSTITUTE POLICIES & REGULATIONS of the Student Handbook. Violation of IAIA alcohol and drug prohibitions is cause for disciplinary or other appropriate action.

TWO-STRIKE POLICY
The IAIA holds a two-strike policy in respect to drug and alcohol abuse. Individuals in possession of, drug paraphernalia, using, or under the influence of alcohol or drugs on the IAIA campus will be in violation of the two-strike policy.

1. The first strike (first time) a student is found in the possession of drug paraphernalia, using, under the influence of, or in the presence of drugs or alcohol on the IAIA campus, they will be placed on disciplinary probation and be required to participate in community service, an alcohol and other drug use screening or assessment with a licensed mental health counselor on campus or off campus, and a certain number of counseling sessions or other wellness program decided upon by the Behavioral Intervention Team (BIT). Documentation of completion of services is required to the Behavioral Intervention Team.

2. The second strike (second time) in the same academic year will result in the student being suspended from the IAIA residential housing and face possible suspension or expulsion from the entire IAIA program.

*The two-strike policy will not apply if, in addition to violating policy, the student has engaged in any of the violations addressed in the immediate suspension clause found under POLICY VIOLATION PROCEDURES in the Student Handbook.*

AMNESTY STATEMENT
IAIA’s primary concern is the safety of students, staff, and faculty and encourages the report of misconduct and crimes by victims and witnesses. We recognize that students who have been drinking and/or using drugs (whether such use is voluntary or involuntary) at the time that violence, including but not limited to domestic violence, dating violence, stalking, or sexual assault occurs may be hesitant to report such incidents due to fear of potential consequences for their own conduct.

IAIA will grant amnesty to victims and witnesses who may have violated IAIA policies related to the use of drugs, or alcohol at the time they experience or witness domestic violence, dating violence, stalking or sexual assault.

Any major violation of state or federal criminal law involving the possession of alcohol or illegal drugs may result in prosecution, and IAIA cannot grant amnesty from proceedings in the criminal justice system.

An anonymous report can be submitted at https://iaia.edu/student-life/title-ix-campus-safety/ and is located on the IAIA website under Student Life/Title IX.

EDUCATION PROGRAM
a. The Office of Student Life shall provide (at least twice a year) training and education in the dangers and risks to physical and mental health, economic welfare and civil status from the use of illicit drugs and abuse of alcohol.

b. The Office of Student Life will also post information concerning alcohol and drug abuse policy and programs in prominent areas.

c. The IAIA catalog and class schedules published each semester will include a statement announcing that substance abuse while on IAIA premises or conducting college business is prohibited.

d. The Student Handbook will include IAIA’s Alcohol and Drug Policy; disciplinary sanctions which may be imposed on
students for violation of this policy include but are not limited to warnings, (referral to and satisfactory completion of rehabilitation programs), academic probation, suspension from academic or extracurricular programs, and suspension from IAIA and expulsion. IAIA also reserves the right to make referrals to law enforcement agencies for investigation and prosecution.

e. Registration material at the beginning of each semester and summer sessions (continuing education students excepted) will include a copy of the policy.

*This policy is adopted in accordance with Public Law 101-226, Drug Free Schools and Communities Act Amendments of 1989, for receipt of federal program funds. Approved at the IAIANCAD Board of Trustees Meeting: May 1993

POLICY REVIEW
A biennial review of this IAIA Alcohol and Drug Policy will be conducted to determine its effectiveness, to implement changes as needed, and to ensure that disciplinary sanctions are consistently enforced.

LEGAL SANCTIONS
For the Unlawful Possession or Distribution of Illicit Drugs and Alcohol
IAIA has declared itself to be a drug-free work and educational environment and community members who are found to be in violation of federal, state, or local law prohibiting the use or possession of illegal drugs may be subject to arrest and conviction under the applicable criminal laws of local municipalities, the state of New Mexico, or the United States. Conviction can result in sanctions including probation, fines, and imprisonment.

- The penalties for even the most minor violations of the Liquor Control Act can include fines of up to $300, confiscation of property and imprisonment for up to seven months. More serious violations carry greater penalties, with larger fines and longer imprisonment.
- Driving or using machinery after drinking or using drugs creates the risk that the user may injure or kill someone else. This can result in homicide charges. License revocation and vehicle impoundment are also results of driving while under the influence of liquor or drugs.
- In drug-related cases a court can permanently suspend eligibility for federal benefits, including financial aid. A criminal record can seriously hurt educational and career opportunities.
- Penalties for illegal drug use can include significant fines and imprisonment. Penalties for the illegal sale of drugs are greater and may include property confiscation. Alternative penalties for illegal drugs or alcohol use may also include mandatory community service. Violation of laws by a foreign national may result in deportation.

*As required by federal regulations, Figures 1 and 2 detail federal and state sanctions for the unlawful possession or distribution of illicit drugs.

New Mexico Laws
Each state has different laws and penalties regarding using alcohol. Here is a brief overview of New Mexico laws regarding alcohol:

Minor in Possession of Alcohol
A minor (under 21) who buys, attempts to buy, possesses or permits himself to be served alcoholic beverages is subject to a fine, suspended license, and/or community service hours.
Presenting or Making a False ID
Using or possessing an altered, forged, or fictitious identification card is a misdemeanor; altering or forging an ID or driver’s license is a 4th degree felony.

Open Container
Drinking or having possession of an open container of alcohol (which includes packages of cans and bottles) while in a motor vehicle can lead to a fine, probation, and possible jail time.

Selling or Giving Alcohol to a Minor
Providing alcohol to a minor is a 4th degree felony, and is prohibited in restaurants, homes, and other private and public locations in New Mexico.

DWI
Anyone who drives a vehicle while under the influence of alcohol or other drugs is subject to several fines. NM alcohol laws prohibit driving while intoxicated (DWI). It’s illegal for anyone age 21 or older to drive with a blood alcohol concentration (BAC) of 0.08% or higher. On the other hand, for those under 21, it’s 0.02% or higher.

HEALTH RISKS
Use of Illicit Drugs and the Abuse of Alcohol
IAIA community members should be aware that it can be dangerous to use and abuse alcohol and other drugs; and many illnesses and deaths have been medically-related to the use and abuse of illegal drugs and alcohol. IAIA recognizes that alcoholism and drug abuse are treatable illnesses, and community members who may have alcohol or drug abuse problems may seek treatment for them.

IAIA community members who disclose that they have an alcohol or drug abuse problem by making referral for treatment and/or as described below. However, those individuals remain responsible for resolving any alcohol or drug abuse problems they may have. Employees and students with health insurance should consult their health insurance plan to determine the treatment program coverage that may be available to them.

Associated Risks:
- Excessive alcohol consumption and abuse of illicit drugs can lead to certain types of cancer, addiction, birth defects, shortened life span, stomach ulcers, phlebitis, varicose veins, pathological changes in the liver, brain, heart and muscle that can lead to disability and death, and other health problems.
- Alcohol and drugs are also a major factor in homicides, assaults, rapes, suicide, family and date violence. Alcohol is significantly involved in all types of accidents—motor vehicle, home, industrial and recreational.
- Unintended pregnancies and sexually transmitted diseases are often associated with alcohol or other drug abuse, as well as relationship, academic or work problems. Figure 3 lists the possible effects and health risks associated with the use of illicit drugs and controlled substances.

SERVICE & ASSISTANCE ANIMALS
IAIA is committed to providing reasonable accommodations to person with disabilities and fulfilling our obligations under federal and state laws. This policy is to provide guidance regarding the use of Service and Assistance Animals by enrolled students with disabilities on the college campus and other teaching facilities. If teaching or work site is not controlled by the college (i.e. student activities or work at other institutions, internship placements at external organizations, etc.), the site may have other policies or procedures in place.

Service Animal is defined as a dog or miniature horse that has be individually trained to do work or perform tasks for the benefit of an individual with a disability. Other animals, whether domestic or wild, do not qualify as service animals. Service animals are working animals, and are allowed in any area of campus that the student or the public is allowed. The work or task a service animal has been trained to provide must be directly related to the person’s disability. Animals whose mere presence provide comfort or emotional support do not qualify as service animals.

Assistance Animals (sometimes called “support animals”) are not service animals even if prescribes by a physician or therapist. They are not trained to perform a specific disability-related task for the owner. They may be considered for access to campus housing, assistance animals are not permitted in other areas of the college, such as the Library, academic and administrative buildings, classrooms, studios, athletic facilities, food service/dining area, and student support facilities such as the Student Success Center. A pet is not considered a Service Animal or an Assistance Animal and is not covered under this policy.
Individuals are not permitted to keep pets on campus including in college housing, other than fish in a small aquarium.

IAIA provides appropriate adjustments to enrolled students with a documented disability, including commuter students and students living in campus housing. Student Life allows Service or Assistance Animals to live with students in their on-campus student housing upon approval by the Disability Support Services Program and in accordance with this policy.

The college may exclude a Service or Assistance Animal from its campus or other teaching or work sites if it:
• Poses a direct threat to the health and safety of others’
• Causes substantial physical damage to the property of others;
• Poses an undue financial or administrative burden, or
• Results in a fundamental alteration of the college’s program(s).

For detailed information, contact the Disability Support Services Program in the Student Support Center.

If a decision is made to close campus or delay the opening, a text and/or e-mail message will be sent to all students, faculty, staff and community members who have registered for the IAIA Rave Alert. This information is also available by calling the IAIA Inclement Weather Hotline at 505.424.2363. The TV stations may also announce closings and delays.
RESIDENTIAL LIVING

RESIDENTIAL STAFF

Housing Director
The Director of Housing is located in the CLE Residence Center. The Director supervises all residential staff and is responsible for the general welfare and discipline of all housing students and directs a comprehensive housing program for on/off campus students. Questions or concerns regarding on and off-campus student housing should be directed to the Housing Director. The Director will maintain a current list of economically feasible housing options that exist within the community, both on and off-campus.

Residential Coordinator
Under the general direction of the Housing Director, the Residential Coordinator provides direct supervision to the Residence Assistants in the areas of training, programming, office procedures and scheduling; and he has authority to take necessary and appropriate action in dealing with students and situations which impact the general welfare of the residents. The Residential Coordinator is also responsible for coordination of Residence Center services during summer conferences.

Area Coordinators
The Area Coordinators of the CLE Residence Center are under the direct supervision of the Housing Director and have authority to take necessary and appropriate action in dealing with students and situations which affect the general welfare of the housing residents. They are responsible for housing assignments, maintaining a safe living environment, assisting resident students, and submitting housing and janitorial maintenance work orders.

Residence Assistants
The CLE-Residence Center employs six student Residence Assistants (RA’s). These student leaders are responsible for the students in their respective housing areas and in family housing and report directly to the Housing Director and work closely with the Area Coordinator. They are responsible for the overall welfare of their residents. They report any damage to their immediate supervisors. Periodically they will call wing, floor, or area meetings to relay information from the Housing Director and housing staff. They are responsive to the residents’ needs and are willing to help in every possible way. Feel free to seek their guidance and friendship. The Residence Assistants are qualified to meet their responsibilities and are trained to handle emergencies and other problems.

R.A. Hiring Procedure
Residence Assistants are student workers hired at the end of the spring semester for the following academic year. Announcements of RA position openings are posted throughout the housing area during April and May. If a student is interested in applying for the position, he/she may obtain an application through the Housing Office and submit it to the Housing Director. The RA Policies and Procedures Manual, listing qualifications, job description, and daily duties, is available in the Housing Office for review.

RESPONSIBILITY AS A HOUSING COMMUNITY MEMBER

Residents who enter this community are considered mature adults who are expected to conduct themselves as adults and will be held responsible for their behaviors and actions.
Your responsibilities as a housing community member are:

- To consider the needs of other residents and balance them with your own needs.
- To promote care of the physical facilities, equipment, furniture and services.
- To communicate with other residents and staff members.
- To let other residents know when they are disturbing you.
- To demonstrate a commitment to the community by getting involved.

- To demonstrate dignity and respect for all individuals.

**HOUSING CONTRACT TERMS AND CONDITIONS**

**Eligibility**

To be eligible for on-campus housing, a degree seeking student must have on file a Housing Contract for the current school year and must be enrolled for and maintain a minimum of 12 semester hours at IAIA. If a resident falls below the 12 credit requirement after midterms, a written request to remain in housing must be submitted to the Dean of Students for approval. Students who have accumulated over 144 credit hours are not eligible to live in on-campus housing. One-time exceptions to this policy may be made for students who are in their final semester towards graduation. Appeals may be considered on a case by case basis. The terms and conditions set forth in the housing contract are incorporated into this manual. To be eligible for a family housing apartment assignment, the completed application packet and deposit must be received by the Housing Director 45 days prior to the beginning of the semester. As demand for on campus housing is high, both continuing and new students are assigned rooms based on the date the completed application is received and depending on the availability of space.

**Background Check**

All first time applications for campus housing will include a $50 non-refundable background check fee for residential housing. For Family Housing applications see the Administrative Fee in the Family Housing Handbook. Applicants with felony convictions must have been released from incarceration for at least 1 year and have completed probation and/or parole 1 year prior to applying for housing. Applicants with juvenile convictions must have been released from state custody and/or probation 1 year prior to applying for housing. In these cases, approval for housing requires a letter from the student explaining the circumstances of the conviction, the date of occurrence, letters of recommendation from Probation and/or Parole Officers as well as community members who can vouch for the student’s character since release from custody, and a personal interview. Approval is provisional. IAIA reserves the right to deny housing to convicted felons and will consider each application on a case by case basis with special attention given to those convicted of sexual and violent crimes.

**Satisfactory Academic Progress Requirement**

During the academic year, continuing students must maintain Satisfactory Academic Progress (most recent IAIA semester GPA above 2.0, successful completion of 67% of attempted credits) Students must meet these requirements each semester to remain eligible for housing. Students falling below the satisfactory academic progress requirement will be placed on institutional probation for the following semester and their application will be provisional pending space availability. A second consecutive semester of non-satisfactory progress will result in ineligibility to reapply to Residence Life Halls OR eviction from Family Housing Units.

Students with families living in family housing units who maintain satisfactory academic progress are eligible to renew their application for the following academic year. They will remain in their assigned unit through the summer provided they are registered for the fall semester, current on their rent, and in good standing.

Students with families living in family housing units will be allowed to live in family housing for a maximum of three years for students pursuing an Associates degree and an additional three years for students pursuing a Bachelors degree. Students must
maintain satisfactory academic progress, be current on their rent, and in good standing to remain eligible.

In addition, priority for housing assignments follows the criteria listed below, in order:
- Minor freshman students (under 21), single without dependents that are enrolled full-time.
- Returning students in good academic standing with a 2.00 GPA and no infractions from previous semester
- Date of completed application submission

**Behavioral Good Standing**
Priority in housing assignments will be given to students who are in behavioral good standing. Behavioral good standing includes, but is not limited to, adherence to the Student Code of Conduct and all policies detailed in the Student Handbook.

**Housing Deposit**
Completed applications received five business days prior to the first day of classes for the semester will be charged the early bird rate of $100 for the housing deposit, which must be maintained through the semester. Applications received after this priority deadline will be charged $150 for the housing deposit.

The housing application will be made available according to the following time table:

The Area Coordinators, through regular health and safety inspections, will ascertain and assess charges for damages caused by neglect or vandalism. Students are responsible to lock their doors and windows when leaving their rooms and are responsible for any damages to the room if the door is left unlocked. Damages to individual rooms will be assessed to the student or students who contracted the room and all or any portion of the housing deposit may be used for repairs. Damages to furnishings will be assessed to the responsible student or may be pro-rated among the occupants of a Residence Center room.

Family housing students are charged a one-time non-refundable $250 administrative fee with the application packet.

**Key Deposit**
There is a $20 key deposit to cover the Residence Center key card and the room key. The key deposit must be paid when the student is assigned to a room. No keys will be given until the key deposit is paid. Lost keys must be reported immediately to residential staff. The key deposit will be charged to replace lost keys and a new $20 key deposit will be assessed. Students who fail to return door keys when checking out of housing will be assessed a fee of $50 for a new lock. Students who request entry into their rooms because of forgotten keys must produce the key when the room is unlocked for them. If the student cannot produce the misplaced room key after three lockouts, the student will be charged for a lock change.

**Key Transfer Policy**
Students shall not transfer issued keys or proximity cards. Anyone found in possession of another’s keys or prox card shall have the keys or card confiscated by IAIA Housing Staff. Return of the keys or card to the owner will be at the discretion of the Housing Office. Individuals violating the policy on the loaning of keys will be fined $50 on the first offense, $100 on the second
offense, and if a third offense should occur the student will be subject to disciplinary action which could result in possible termination of the housing contract.

**Financial Responsibility**

Students in the CLE Residence Center are financially responsible for any damage or repair which has occurred during the occupancy and must make payment by the end of the semester. IAIA will bill the occupant(s) for damage assessed to the room in excess of the housing deposit. Failure to pay will result in non-acceptance for housing the following semester. Until damage assessments are paid, IAIA will withhold transcripts from a student who is not returning or will deny re-enrollment to a returning student. Housing deposit refunds, or the balance thereof, will be mailed to students approximately two weeks after the rooms have been vacated.

**Time of Contract**

The CLE-Residence Center officially opens for new student orientation the Sunday before orientation begins, and it opens for returning students Thursday before classes begin. The contract period continues through the entire academic year, except during winter break, at which time the Residence Center closes at noon Saturday following the last day of the fall semester. At the end of the spring semester, students must vacate their rooms by noon the day following Commencement. The Residence Center doors will be locked at noon, students will be charged $50 per hour should they fail to completely check out of their room by the noon deadline. In the event that belongings are not collected within 5 days, the belongings will be confiscated and donated to charity.

The term of the family housing lease is for one year from the date of occupancy and does not close during holidays or summer break. Each lease will be subject to renewal on a yearly basis.

**Termination of Agreement**

IAIA may terminate the Housing Contract or Family Housing Lease Agreement and take possession of any CLE-Residence Center room or family housing apartment for a violation of IAIA’s policies, rules and regulations as provided in the contract and lease agreement.

**Room and Board Refund**

To receive a refund, a student who withdraws from IAIA must complete a withdrawal form. This form is available from the IAIA Registrar. The date on the completed form is the official withdrawal date. Any money owed to IAIA is payable on the day of withdrawal. Refunds will not be made to students who are dismissed for disciplinary reasons or who, for academic reasons, are not eligible for refunds on room and board.

Subject to the above policy, any refund the student is due will be calculated as follows: If a student withdraws prior to moving into the dorm, room and board will be refunded 100%. Otherwise dorm room and meal plan refunds will be pro-rated based on the number of weeks the student has stayed in the dorm. Any room damage will be deductible.

**HOUSING POLICIES**

**Freshmen Housing**

IAIA requires minor freshmen students under 21, single without dependents that are enrolled full-time at IAIA, to live in the CLE Residence Center. Individual requests for exceptions to this policy are to be addressed in writing to the Dean of Students.

**Returning Student Housing**

All returning (non-freshmen) students must have a current Housing Contract that is renewed for each Academic year. Students
who do not complete disciplinary probation requirements from the previous semester are not eligible for on campus housing until those requirements are completed.

**Maximum Credit Hour Limit for On-Campus Housing**
Students who have accumulated over 144 credit hours are not eligible to live in on-campus housing. One-time exceptions to this policy may be made for students who are in their final semester towards graduation. Appeals may be considered on a case by case basis.

**Food Service**
All students living in the Residence Center must purchase either a 19 or 14 meal plan. Meal plans include meals during spring break. Meal plan students must present their student I.D. at each meal. Payment is made through Student Accounts in the Student Success Center. Students not living in campus housing may purchase meal plans in varying amounts through Student Accounts. Students have 2 weeks after courses begin to change their plan, unless it is a special circumstance. Students withdrawing from school may have their meal plan refunded on a pro-rated weekly basis.

**Bon Appetit Café Hours**

Guests are responsible for their own meals and cannot obtain a meal from a student’s meal plan.

**Single Room Policy**
Single rooms are only available if the CLE Residence Center is not fully occupied. Students may request a single room and a waiting list will be maintained. The cost for a single room will be charged to the resident at a rate of an extra $750 per semester, which will be pro-rated if applicable.

**Consolidation**
During the semester, if a resident moves out of a double room and the remaining resident is not assigned a roommate; the remaining resident may be asked to select one of the following options:
- Elect to pay the single room rate and retain the room privately. This option is available only when space is available. Single room rates will be calculated on a pro-rated basis.
- Choose to move into another half-filled room in the community.
- Find another resident in a half-filled room who is willing to move into the current resident’s room.
- Be prepared to accept a new roommate at any time by:
  - Keeping the unoccupied half of the room in such condition that would allow someone to move into the room on short notice.
  - Agreeing that the room may be shown to prospective occupants without prior notification and in his/her absence.
  - Displaying an attitude of cooperation and acceptance toward any resident who may examine the room while considering occupancy.
  - Agreeing to accept a roommate assigned by the Housing Director.
This consolidation policy does not require an individual to move out of his/her community, but rather could require residents to pay for a single room or consolidate with another individual who is living singly in a double occupancy room. If more than one resident on the same community is without a roommate, the individual who paid his or her housing contract last may be the one to move.

Harboring Restricted Students
Students are prohibited from harboring restricted students in their on-campus room or apartment at anytime. Violations will result in disciplinary action which may include housing suspension.

Structural Changes
No nails, glue or any fastening device other than tacks may be used to attach any items to walls. Students are not allowed to paint walls, furniture or use spray paint inside the CLE Residence Center rooms or family housing apartments or dismantle the furniture. Violations will result in a $50 fine. Damage will be assessed and added to financial account immediately and any additional amount owed will be deducted from the Institute deposit. Change of locks is not allowed and is considered a safety hazard. In addition to the possible imposition of other sanctions, a fine of $100 will be assessed. Beds that are dismantled by the student must be reassembled before check out to avoid additional fines.

No Storage
Once the student has checked out, no personal belongings will be stored at IAIA. IAIA is not responsible for theft, loss, or damage to abandoned personal items in the Residence Center. Any personal belongings left will be donated to charity.

Insurance
IAIA is not responsible for theft, loss or damage to any individual’s personal property from any cause whatsoever. It is recommended that students obtain private insurance for their personal possessions. It is recommended that all personal property be appropriately labeled to prevent loss or theft.

HOUSING PROCEDURES
Check-In Procedure
Students must report directly to the CLE Residence Center where they will complete all necessary housing forms. They will then be escorted to their assigned room or apartment where a room inspection by the student will be conducted and the condition of the room will be noted on the Check In/Check Out Form. Upon receipt of the Check In/Check Out Form, housing staff will issue keys to the student which signifies the student’s residence into on-campus housing and responsibility for the room assigned.

Check-out Procedure
At check-out, the same inspection will be completed by the RA or housing staff and the student, and all damages will be noted on the Check In/Check Out Form. Rooms will be evaluated for any damage not noted on the Check In form and for cleanliness. The rooms and furniture must be left in the same condition and state of cleanliness as at the time of initial occupancy with the exception of normal wear. All furniture must be returned to its original room arrangement in the unit. After the room has been assessed at check-out, any damage or repair will be automatically deducted from the housing deposit. Damage charges will be assessed according to IAIA rates for maintenance and repair, listed on the back of the room assessment form. Prices can also be obtained from the Area Coordinators. Anything left in the rooms after the official closing of the facility will be considered abandoned and will be discarded, including artwork. Students who do not check out properly by having their room inspected and turning in their keys to housing staff will be charged $100 for improper check out.
After the Check In/Check Out Form has been completed, students will return all keys to the housing staff and are no longer considered residents of the facility. Whether or not the keys have been properly surrendered at the end of the term or when the College is closed during scheduled breaks, the student shall not be permitted in the Residence Center rooms or family housing apartments.

Physical Exam and Immunizations Requirements
The State of New Mexico encourages prospective college students to consult their college about their specific immunization requirements. IAIA strongly supports the use of immunizations to protect the health of students and it is important for all students to keep a record of all previous vaccinations. On-campus students and family housing residents are required to have their immunization record on file. All students who apply for on-campus housing must submit an immunization record and a physical completed by a health care facility in order to be admitted into on-campus housing, whether in the CLE-Residence Center or the family housing apartments. All students and family members who reside in family housing apartments must provide the same medical information.

Room Changes
All requests to change rooms may be made in the second week of classes by completing a Request to Change Room form, which requires signatures of all affected parties, and submitting it to housing staff. Any requests beyond the second week must be made directly to the Housing Director who will approve or deny the request. All requests are at the discretion of the Housing Director, and all room changes must go through the check-in/check-out procedure for damages and cleanliness.

Health and Safety Inspections
IAIA will maintain the CLE-Residence Center and family housing apartments in a reasonable state of repair and, for this purpose, will conduct regular inspections for health and safety reasons, as well as to enforce regulations developed for the common good, safety, and health of all the occupants of on-campus housing. These inspections will normally be announced 48 hours in advance and may be conducted without the student present. Cleanliness of the residence center room is the responsibility of both residents as agreed upon in the Roommate Agreement on file.

Under no circumstances may a student block a door to a room for health and safety inspections. Violation may result in breach of contract and appropriate discipline. Generally, failure to pass the Health and Safety inspections, which are cumulative, will result in:

- 1st violation - the room or apartment will be rechecked in 48 hours
- 2nd violation - the resident(s) will be charged $50;
- 3rd violation - will result in termination of the housing contract

Unauthorized Entry
The residential staff cannot admit a student into a room/apartment other than his/her own room/apartment. If a student needs something from another student’s room, only the other student can let him/her in. Entering another’s room or restricted area without the permission of the person responsible for that area is prohibited.

Winter Break
Prior to leaving for Winter Break, students must do the following:

- Remove all trash and food from the room;
- Clean personal refrigerators in the rooms;
- Set up and clean the rooms for a roommate;
- Unplug all electrical appliances before leaving (e.g. stereo, clocks, TV, etc.).

IAIA is not responsible for the theft, loss or damage to personal items left in the Residence Center during winter break.
No students are allowed to stay in the Residence Center over the winter break. Students may return to the Residence Center no earlier than the Friday before spring classes begin. Students with account holds at the end of the fall semester and/or not registered for spring classes will be required to remove their belongings and go through the checkout process.

Student workers whose duties require them to be present prior to the return date may schedule their return in advance, but must have express written permission from the Housing Director. In addition, the student will be billed an established rate for each night prior to the official return date for all other students. No accommodations will be made for students with non-institutional employment.

**Living with Roommates**
Roommate assignments are made using information collected from the Residential Life Survey and the Roommate Agreement. When applicable, returning students are encouraged to complete a Roommate Request form before they leave at the close of the spring semester. The Housing office will not grant roommate requests for students who are involved in intimate relationships.

Sharing a room with other individuals requires adjustments on the part of each person. Learning to accept differences is a valuable part of your college education and student housing experience. Your roommates are individuals with personal likes and dislikes which should be respected the same as yours.

**Roommate Bill of Rights**
- The right to read and study free from undue interference in one's room; unreasonable noise and other distractions inhibit the exercise of this right;
- The right to sleep without disturbance from noise, roommates, guests, etc.
- The right to a clean environment in which to live;
- The right to free access to one's room and facilities without pressure from a roommate.
- The right to privacy.
- The right to host guests who will respect the rights of the host's roommates and other housing residents.
- The right to redress a grievance.
- The right to be free from fear of intimidation, physical, and/or emotional harm.
- The right to expect reasonable cooperation in the use of "room shared" appliances, such as telephones, and a commitment to honor agreed upon payment procedures.

Continued disregard for any of these rights may result in disciplinary action up to and including housing suspension.

**Roommate Agreements**
All roommates will be expected to complete a Roommate Agreement at the beginning of each semester in order to assist in the development of communication and to identify potential problem areas. This process will be facilitated by a Resident Assistant assigned to each room.

During orientation week, RAs meet with new students in each room to process the Roommate Agreements previously submitted and establish a list of guidelines for each room.

Returning students meet with RAs during the first week of school to process the Roommate Agreement previously submitted and establish guidelines for each room.
Roommate Conflict Resolution
Roommate Agreements are developed to establish the guidelines for roommates in Residence Center rooms. If a conflict arises between roommates, it is important that the roommates attempt to discuss their concerns and reach a mutual agreement or solution. The following steps should be taken when dealing with roommate conflicts:

• Roommates should refer to their agreement, discuss their differences and attempt to work out a solution.
• If a solution cannot be reached, roommates should notify the RA who facilitated the agreement for assistance in revising their roommate agreement.
• If a solution is still not reached, RAs should contact the Housing Director for assistance and/or referral to mediation.
• If the issue remains unresolved, the Housing Director or his/her designee may request a room change or possible termination of housing contracts.

IAIA may terminate the housing contract and take possession of a room for violation of an IAIA policy, rule or regulation.

GENERAL HOUSING INFORMATION
As responsible members of a learning community the following guidelines have been established to maintain harmony, respect and order:

Art Safety in Student Housing
Because the use of a variety of art media have resulted in health hazards due to lack of adequate ventilation and contact with harmful substances and skin irritants, use of any potentially harmful substances is prohibited in the CLE Residence Center. These include painting of any kind, sculpting, jewelry making and any other art forms which emit toxic fumes, harmful dusts or particles, or require cleaning with hazardous solvents. The studios in the Academic Building are available for student use regularly and are equipped with proper safety gear, appropriate ventilation and areas for responding to an accident.

It is recommended that students consult the Health and Safety in the Arts binder located in the housing office for information regarding hazards associated with all art media and necessary precautions for use.

BBQ Grills
Barbeque grills are allowed only in the family housing area. There is a grill available for use by student clubs and organizations who obtain permission from the Dean of Students.

Cohabitation
IAIA does not allow the cohabitation of couples in intimate relationships in the CLE Residence Center rooms. Such cohabitation will be limited to the family housing area.

Computers
Computers are available in the lounges on each floor of the CLE-RC and are provided on a first come first serve basis. For repair, maintenance, or supplies contact the Housing staff.

Conserving Energy & Water
We ask your cooperation in conserving energy and water whenever possible. Turn off lights, when not in use, as well as other items which use electricity. Keep the heat between 68° – 70°. Santa Fe is considered a high desert and a drought area which makes water conservation essential. Take shorter showers, brush your teeth with a cup of water instead of running water, and report water leaks to housing staff immediately.
Crime Reporting
Students, faculty and staff are encouraged to report criminal activity. IAIA, by federal law, cannot guarantee complete confidentiality. Faculty and Staff members who become aware of a crime are obligated by federal and state laws to file appropriate reports. If you have been a victim of a crime, you may report it to IAIA Security, the Housing Director, Dean of Students, or call the Santa Fe County Sheriffs Department.

Gender Inclusive
The IAIA Residence Center is a gender inclusive facility. We strive to ensure that all members of our community are comfortable in their home away from home while they pursue their academic goals. Residents are encouraged to self-identify concerning any gender assignment during the housing application process, and to inform staff if they feel they have been misgendered.

Housekeeping
The Facilities Department and housing staff work hard to make your stay in student housing a comfortable, safe and clean experience. But staff is not responsible for cleaning messes made by residents. Residents are expected to clean up after themselves in the laundry rooms and common areas of the Residence Center and in the common areas of the Student Union Building, and also to clean and maintain their own living areas for health and safety.

Elevator
The elevator in the CLE-Residence Center is for student use. Improper use of the elevator or tampering with controls is prohibited.

Kitchens
Family Housing:
The family housing apartments have a small kitchen, which includes cabinets, a stove, sink and a refrigerator. Please take care of these conveniences by cleaning them regularly and operating them in a safe, useful manner.

CLE Residence Center Kitchen Area:
The Kitchen areas on each floor of the CLE-RC are for the use and enjoyment of all students living in the residence center and are open from 7:00 a.m. to 10:00 p.m.
• The privilege of kitchen use is directly related to the responsibility of cleaning all dishes, utensils, pots and pans and glassware used, as well as cleaning the oven, microwave counters, and sinks after use.
• Students are required to complete the sign in/out sheet in the kitchens. Cleaning products will be provided.
• Students who do not uphold their responsibility to clean up after themselves the first time will be given a verbal warning, the second time will be fined $25, and the third time will result in loss of kitchen privileges.
• Cooking and Storage of food is permitted only in the CLE Residence Center kitchen areas.

Laundry Facilities
Laundry facilities are available 24 hours a day in the Family Housing Complex and on each floor of the CLE-Residence Center. These laundry facilities are a courtesy for students’ use, with students expected to keep the facility clean and trash-free. Contact your Resident Assistant or the housing office if there are any problems with this facility. Laundry carts are to be immediately returned to laundry room after use. Failure will result first in a warning and $25 fine each time thereafter.

Maintenance Requests
Works orders for maintenance issues may be sent to workorders@iaia.edu by the student (with a “cc” to the Housing Director for follow up), or the Residence Assistants will complete one and process it through the housing office for the student. Be aware that filling out a maintenance work order form does not absolve the student of any charges for the repair if the repairs needed were caused by the student.

If the repair is not addressed in a timely manner, contact the housing office at 428.5802 or the Housing Director at 424.2380.
Motorcycle & Scooters
Parking motorcycles or scooters inside any building is prohibited. Motorcycles and scooters found in any of the housing areas will be impounded without further notice. Any damage to IAIA property or necessary cleaning will be charged to the student. Motorcycles and motorbikes should be parked in designated parking areas on campus.

Open Flame Products & Incense
Open flame products (e.g. candles, oil lamps, jewelry torches and incense) are prohibited in Student Residence Center rooms and Family Housing due to their potential fire danger and a fine of $50 will be charged for violations. Smudging for ceremonial cleansing and purification is allowed if a non-flammable container is used and prior notification is made to housing staff that you will accept full responsibility in case of a fire. Decorative candles must have non-burned, clipped wicks, or be wickless. A fine of $50 will be charged for violations.

Patios
Family housing patios must be kept clean, clear of weights, old furniture, cigarette butts, bottles and trash. Patio furniture is allowed. Residents are responsible to keep the patio area in front of their apartment clean. Patios are included in the health and safety inspections. Residents with dirty and unsafe patios will be fined $50.

Preventing Theft
Few thefts occur in student housing when students take proper precautions. Residents are advised to protect their belongings by keeping doors and furniture locked at all times and are encouraged to carry student or renter’s insurance coverage.

Reporting Theft
If you find something missing from your room or unit, notify the housing staff immediately and complete an incident report. Students may also contact IAIA Security or the Santa Fe County Sheriff’s Department.

Student Union Building and Residence Center Lounges
Hours for the Student Union Building are 12:00 p.m. to 10:00 p.m., 7 days a week, unless a special event is scheduled.

Priority use of the Student Union Building is for ASG and student club meetings and activities. Food and drink are allowed, but if left dirty or any item is missing (i.e. remote control, pool sticks, furniture) the recreation center will be closed for an unspecified amount of time. Art materials that are hazardous, impair, discolor or ruin the furniture, carpet, walls, windows, or tabletops will not be allowed.

The CLE Residence Center is open from 8:00 a.m. to 10:00 p.m. Each lounge is open to those residing on those floors 24 hours per day, seven days per week with consideration of quiet hours.

Quiet Hours
It is expected that each student will maintain reasonable quiet. Consideration should be given for those who are studying or sleeping. Quiet hours for the CLE Residence Center are:
Sunday – Thursday: 9:00 p.m.– 9:00 a.m.
Friday – Saturday: 12:00 midnight – 9:00 a.m.

Room Decoration
You are encouraged to make your room as comfortable as you like. However, your decorations may not cause damage to the room or create a health, safety, or fire hazard. Decorations are subject to approval by your roommates. Pornography and
alcoholic beverage signs are not allowed as window or door decorations. Empty alcohol containers are also not permitted in student housing. If anyone in the CLE-RC reasonably objects to a picture, poster or sign, it must be removed immediately.

**Telephones**

Telephones are available in each family housing apartment and CLE-Residence Center room for local/on campus calls. Phone cards must be used for long-distance calls. Maintenance on malfunctioning phones may be made through the work order process. Email to workorders@iaia.edu (with a “cc” to the Housing Director for follow up), or the Residence Assistants will complete one and process it through the housing office for the student.

**Vending Machines**

Vending machines are located in the Laundry room in the Family Housing Complex and in both lounges of the Residence Center and are run by an independent business. Proceeds from these machines go to the Associated Student Government (ASG). *IAIA is not liable to refund lost money.* Students may contact the independent business at the phone number on the machine.

**Visitors & Visiting Hours**

All visitors must report to security between the hours of 7:00 p.m.– 8:00 a.m. or the CLE Residence Center housing office from 8:00 a.m. to 7:00 p.m. Any individual visiting the Residence Center, either invited or uninvited, is responsible for his/her actions and is required to abide by all IAIA policies. All visitors are expected to inform security or the housing office when they leave campus. If a visitor to the Residence Center has not checked out by 12:00 midnight, housing staff and/or security may check the room to ensure the visitor has left campus.

*Visiting Hours are from 8:00 a.m. to 12:00 midnight*

**Overnight Visitors**

A student in the CLE-Residence Center desiring to have an overnight visitor must submit a Guest Request form with a signature of approval from his/her roommate to the Housing Director for approval at least 48 hours in advance of the stay. If the host/hostess does not have a roommate, a Guest Request form must also be completed and approved by the Housing Director at least 48 hours in advance. The visitors may stay for no longer than three (3) nights and are required to abide by all IAIA rules/policies, and the resident/host will also be held accountable. Overnight visitors with vehicles must provide security or the housing office with their license plate number. Approval is at the discretion of the Housing Director. Failure to get prior approval will result in asking visitors to leave at 12:00 midnight as well as the imposition of other sanctions. Overnight underage visitors in the CLE Residence Center must be accompanied by their parent or legal guardian.

Family housing students wishing to have overnight visitors must submit a written request for approval to the Housing Director at least 48 hours in advance of the stay. The visitors may stay for no longer than 2 weeks within a semester and a request must be submitted for each stay.

**Windows**

Throwing objects from windows, removing screens, passing items through windows, and entering/exiting rooms via windows is prohibited and may result in the cost of screen/window repair, a $25 fine, and/or other sanctions. Entering/exiting rooms via windows is also a security risk. Students who violate this policy will be placed on disciplinary probation with appropriate sanctions after the first violation and may be suspended from on-campus housing upon the second violation.
POLICY VIOLATION PROCEDURES
Violations of an IAIA Policy, Procedure or Regulation may result in penalties, including but not limited to, immediate suspension or expulsion from the residential hall and/or the IAIA program. All students and employees are expected to report infractions as they occur.

STANDARD PROCEDURES
1. Violations of any IAIA Policy, procedure, or regulation should first be reported to IAIA staff and faculty, or IAIA Security. Exceptions: 1) Violations of the IAIA Sexual Harassment Policy must be reported and will be investigated and sanctioned under the provisions of the IAIA Sexual Harassment Policy; 2) Reports of rape should be made first to a Counselor who will then refer the matter to the Dean of Students for processing under the Emergencies/Immediate Suspension Procedure set forth on page 65. School officials shall retain the discretion to file a police report if any circumstances where it is deemed warranted. In case of sexual assault, contact the 24 hour Crisis Advocacy Hotline at Solace Crisis Treatment Center at 1.800.721.7273.

2. The Housing Director or his/her designee, or Dean of Students will then review the report and has the authority to hear and decide the matter and establish immediate sanctions.

SANCTIONS
Behavior which threatens the health and safety of students or which may harm the IAIA community will not be tolerated. Violation of any IAIA policy, procedure, rule or regulation will be dealt with by IAIA in a manner which it, in its sole discretion, believes necessary to maintain a healthy and safe environment conducive to learning. Circumstances may sometimes warrant immediate suspension or expulsion from IAIA housing or the IAIA program. (See page 65.) Disciplinary action which IAIA may take includes but is not limited to the following:

1. Verbal Warning: A verbal warning is given for less serious offenses without the initiation of formal procedures. Offenses referred to the Housing Director or Dean of Students or his/her designee may be disposed of by mutual consent of Director and the students involved. The accused shall regard the case closed and not appealable. If consensus is not reached, the Director may impose other sanctions.

2. Written Warning: A written warning is given to a student that his/her behavior is unacceptable by IAIA standards and any repeated violations will warrant further sanctions which may include, but are not limited to, any of the sanctions listed in this section.

3. Compensation: A student whose actions damage, deface, or destroy any on campus property may be required to restore the property by replacement or by monetary reimbursement. Compensation may be in addition to other sanctions imposed by the Housing Director or Dean of Students or his/her designee.

4. Referral to Counseling Services: The Housing Director or his/her designee may recommend counseling services. The student will be directed to attend a prescribed number of counseling sessions based on an initial assessment and recommendation of the counseling. The Director may inquire only into whether the student has attended the prescribed number of sessions and cooperated with counseling efforts.

5. Community Service: A student may be required to perform a designated number of hours of community service in addition to other sanctions or as a single penalty for a policy violation. The number of hours will be determined on an individual basis, relative to the type and severity the infraction.
6. **Institute Probation:** A written statement is given to a student that his/her actions have placed him/her on probation with the IAIA for a specified period of time. Because of the probationary status any of the following will be imposed:

- Restriction from representing the Institute in any public performance, competition, committee, or from holding any Associated Student Government office, any office in any recognized student organization, or any other position.
- Any other restrictions deemed appropriate by the Dean of Students or his/her designee may be imposed.

7. **Disciplinary Probation:** Disciplinary probation places a student on probation for a specified period of time. Any significant violation of IAIA rules or policies thereafter is cause to remove the student from the residence hall and/or IAIA. This type of probation is generally imposed for repeated violations of the same policy or for serious infractions. When disciplinary probation is instituted, an underage student’s parents may be informed by the Dean of Students. In addition, any of the above restrictions described in the Institute probation may be imposed.

8. **Residential Suspension:** A written statement is generally given to a student that his/her behavior is of such a nature as to result in his/her removal from the resident hall and/or the IAIA community. This action is generally taken when a student’s conduct is deemed unmanageable or a potential threat to the residential community, the student is a repeat offender of the IAIA rules and policies, or when such action seems most appropriate to the violation. A suspension from residential housing places a student on restricted status (P.N.G.) from the housing area. Individuals on PNG status may not enter the residential units or housing area for any reason. Students found on the premises risk being arrested for trespassing. Students who are suspended from housing are not eligible for a pro-rated housing refund or housing deposit refund.

9. **Institute Suspension:** The Dean of Students may require the separation of a student from IAIA for a specified length of time and may reconsider return upon reapplication. Institute suspension is generally imposed when a student’s misconduct is of a very serious nature.

10. **Restricted Status (P.N.G.):** There are two types of restricted status for both students and non-students.

   - **Campus Restriction:** Individuals of this status may not be present on campus for any reason. This includes IAIA activities on and off campus.
   - **Student Housing Restriction:** Individuals on this status may not enter the residential housing area for any reason.

Students are prohibited from harboring restricted students in their on-campus room or apartments.

11. **Expulsion:** Removal of a student for an extensive period of time or indefinitely due to severe offenses.

12. **Parent/Legal Guardian Notification:** The Housing Director or Dean of Students may notify the parents or legal guardian of underage students of decisions involving any second offense which would constitute a disciplinary probation or a greater disciplinary action.

13. **Assigned Projects:** A special educational project designed to assist the student to better understand the impact of his/her misconduct may be assigned.

14. **Relocation:** A student may be removed from his/her present Residence Center room for a specified period of time. Students may also be removed from the Residence Center completely.

15. **Fines:** Fines, when deemed appropriate, may be assigned by the Housing Director, Dean of Students or the Appeal Committee.
EMERGENCY OR IMMEDIATE SUSPENSION

1. In the case of reports of incidents involving serious threat to individual, or community, sexual offense, distribution of controlled or illegal substances, contribution to a minor, destruction of property, lewd conduct, violence, or discrimination, the Dean of Students or his/her designee will establish and impose sanctions accordingly, but not limited to, immediate suspension/expulsion from the on campus housing or the total IAIA program. Reports to law enforcement authorities for investigation shall be made as necessary and appropriate.

2. A decision by the Dean of Students or his/her designee pursuant to this procedure may be appealed to the IAIA President. The appeal must be in writing and received by the President within three calendar days of the decision of the Dean of Students/designee. The President may affirm, reverse or modify the decision of the Dean of Students/designee. The decision of the President will be final.

NOTICE: The Institute of American Indian Arts reserves the right to remove any student from the Institute, reserves the right to remove or restrict any student from on campus housing and reserves the right to prohibit any non-student from campus for any appropriate reason.

The appeal must be submitted on a Student Life Appeal form and must be received by e-mail or hard copy by the Assistant to the Dean of Students or her designee within 24 hours of the student’s receipt of the Housing Director’s or Dean’s decision. The student will be informed in writing of this right to appeal at the time of the disputed decision. This process does not apply to verbal warnings, written warnings, decisions regarding psychological assessments or those rendered under the emergency or immediate suspension provision.

STEP 1: Initial Review

The student shall be notified in writing and/or by email of the determination and the scheduled time and place of the hearing. The student MUST be available to meet with the Appeal Panel at that time.

• At the hearing, the student must present previously unavailable evidence, and those witnesses listed on the appeal form may be questioned by the Panel members. The Student Complaint procedure is to be followed for all such complaints with the exception of the following:

STEP 1: Seek Informal Resolution

• An attempt at an equitable solution to the problem is required through discussion with the person directly involved and is encouraged at all stages of the process.

• If a problem still exists after discussion, the student should bring the complaint to the attention of the appropriate department chairperson, administrative officer, or staff supervisor.
STEP 2: Initial Review

- When informal recourse fails, the student may submit or email a completed Student Complaint form to the Assistant to the Dean of Students within three (3) business days of the final attempt to resolve the issue informally (Step 1). STEP 3: Formal Hearing

- If the Student Hearing and Review Panel determine there is evidence for a formal hearing, it will be scheduled to be held within five (5) business days of the date of their determination. All of the parties involved shall be notified in writing of the time and place of the formal hearing.
- The respondent shall receive a copy of the complaint form with reason for the formal hearing and the scheduled time, and they will be informed that they can provide witness statements and evidence for the hearing.
- Either party may, for cause, request that any member(s) of the Panel be excluded from consideration of the case. The members of the Panel will decide such a request. Panel members may also disqualify themselves for any reason.
- Should a disqualification occur, that Panel member’s alternate will replace him/her for the remainder of the hearing.
- At the hearing, the parties directly involved and witnesses listed on the Complaint Form may be questioned by the Panel members. Each party may present evidence including witness statements. Only evidence presented at the hearing will be considered in the final decision.
- After the hearing, the Panel may deny the appeal or provide the formal resolution. The parties involved shall be notified in writing of the decision and the reasons for that decision.

A. To obtain official recognition, clubs and organizations must present application for club recognition, which is reviewed and approved by the officers, representatives, advisors and the Dean of Students.
B. In order to be recognized as an official club/organization, one representative must attend an ASG sponsored meeting and receive a Club Financial Account and Requisition Procedure Packet.
C. Approved IAIA clubs and organizations will elect one representative to the ASG who attends the meetings of the student government. The representative cannot vote on issues of the ASG unless the representative is already a voting member of the ASG.
D. All treasurers of IAIA clubs and organizations must report financial statements to The ASG Treasurer.
E. Approval of IAIA clubs and organizations will receive initial funding of $200 by the ASG. After this initial funding, clubs and organizations will be self-sustaining.
F. No student can be excluded from joining a student club or organization.
G. Student removal from a club is contingent upon ASG review. Unruly or disruptive behavior may be basis for removal.

ARTICLE XI: CLUB FUNDING
All student organizations borrowing funds from the ASG are required to reimburse ASG before the semester ends or forfeit the remainder of the account balance.
1. Club must present to ASG a report of what the club accomplished, in both written and oral form. The written report should also be accompanied by an expense breakdown. A simple spreadsheet with dates, amounts, and purpose.
2. ALL clubs are required to appoint a Treasurer as a single point of contact for financial matters, before any funds are disbursed.
3. A $500.00 ceiling will be implemented for club proposals for the first semester of an active club, with a graduated system of an additional $500.00 per semester up to $1,500.00 total, if the club is in good standing and fulfills the proposal policies.
4. Any club not fulfilling the requirements set forth by the ASG would automatically become ineligible for funds for the next semester. Beyond that, it is required that the club write a corrective action plan, before being considered for funding again. If this plan satisfies the ASG, then they could be funded again, at the low, first year rate of $500.00.

5. A club can be dissolved at any point if ASG deems necessary.

ARTICLE XII RATIFICATION
A. To be effective, this constitution must conform to administration policy as defined in the Student Handbook.
B. This constitution supersedes all previous constitutions and by-laws.
C. Any changes in the ASG Constitution must be ratified by the simple majority vote of the members of the association in an open election before the new constitution can be put into force.
D. This Constitution will be effective until superseded by the ratification of new constitution.

The Committee shall be composed of the Dean of Students, Financial Aid Director, ASG treasurer, and a student representative.

AMENDMENT I: BUDGET
ASG shall operate on a budget from the previous semester’s student fees. This budget shall be reported weekly to the students present at the weekly ASG meeting.

The budget is percentage based since the total income from the student fees varies from semester to semester.
