August/September 2019 Welcome Back!

Prevention Program Newsletter

Welcome Back! Welcome all IAIA students, staff, and faculty to the fall 2019 and spring 2020 semester. We look forward to meeting new community members and reconnecting with returning students. If you are new to the IAIA community we want to extend our congratulations to joining a diverse, inclusive, and highly supportive team. Our student life department is looking forward to supporting your success and experience on our beautiful campus.

Our Tribal college mission is: "To empower creativity and leadership in Native Arts and cultures through higher education, life-long learning, and outreach." As a department we want to challenge and support your journey accomplishing your higher education goals, while also cultivating and nurturing a safe environment that encourages life-long learning as well as community outreach on and off-campus. Navigating a new life in the college community can come with challenges and we want to encourage reaching out and getting the support you may need to living well (Remember: *LIVE.LAUGH. LOVE*).

Student Handbook 2019-2020. Please take the time to read this year's [student handbook](#) which covers student rights, responsibilities, code of conduct, student services, policies and regulations, residential living, policy violation procedures, campus directory, etc. IAIA is committed to safety of the campus community and as a student, you are responsible to know, become familiar with and abide by the policies, regulations, services, and procedures set forth in this handbook.

Please join our community by honoring and abiding by our community agreements. We do not tolerate discriminating behavior or harassment based on sex, race, color, national origin, age, religion, sexual orientation/identity, or disability. IAIA is committed to providing a safe and welcoming environment for students, faculty, staff, and the public.

First Day of Classes...August 19!

Reminder: IAIA is an alcohol and drug free campus. In NM, it is a 4th degree felony to sell or provide alcohol to someone who is under 21.

Safety & Support... Title IX is a federal civil rights law and states that: "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance."

We are a diverse community dedicated to creating and providing an environment for learning, living, and working that's free from discrimination, harassment, including sexual violence and misconduct, and retaliation. **Contact our Interim Title IX Coordinator, Laurie Logan Brayshaw,** or [click here](#) to visit online.

Yes Means Yes: A New Standard for College Campuses

In 2014, California garnered widespread attention when Governor Brown signed the nation's first affirmative consent standard for colleges to use in campus sexual assault cases. The law established that consent is a voluntary, affirmative, conscious agreement to engage in sexual activity, that it can be revoked at any time, that a previous relationship does not constitute consent, and that coercion or threat of force can also not be used to establish consent. Affirmative consent can be given either verbally or nonverbally. Additionally, the law clarified that a person who is incapacitated by drugs or alcohol, or is either not awake or fully awake, is also incapable of giving consent.

Yes means yes is a groundbreaking effort. It's particularly powerful because it empowers colleges and universities to hold accountable perpetrators who assaulted individuals who were either asleep or incapacitated by alcohol or drugs (EROOC.org/yes-means-yes).
