

### IAIA Bicycle Policy

All bikes on campus must be registered in Student Life and have a registration sticker. To register your bicycle complete the form which is located on the IAIA website at [Forms, Regulations, and Rules > Institute of American Indian Arts \(IAIA\)](#) or at the Student Services Coordinator's office, which is located 5 doors down from the cafeteria. Either email it back to [diana.ellenwood@iaia.edu](mailto:diana.ellenwood@iaia.edu) or return it to the Student Services Coordinator's office. You will be notified when your sticker is ready for pick-up.

No storage of Student bikes in residence hall rooms, storage rooms, or classrooms.

Any bikes left on campus without permission from the Dean of Student Life's office two weeks after the end of spring semester will be evaluated for student use or donated to a local charity.

### **Pedestrians have the right of way on all campus walkways.**

Bicycles shall be parked only in designated racks placed on campus. Bicycles secured to campus fixtures other than designated racks shall be subject to removal without prior notice. The responsibility for the security of parked bicycles rests with the owner. IAIA shall not be responsible or liable in any way for lost, stolen, or damaged bicycles.
