

IAIA Technology Systems & Logins

This document contains information about the technology systems used at IAIA. There is a link for each system with tutorials and visual instructions to get you logged in.

System	Description	Links to Instructions
 IAIA Email	The primary way you can learn about events on campus. This Office365 account also gives you access to the Office Suite applications and OneDrive cloud storage.	 Logging In
 Canvas	Canvas is used to access orientation, course materials, studio information, and online courses.	 Logging In
 Empower	IAIA's Student Information System: used to view your student records; account balance & financial aid.	 Logging In
 IAIA iDaptive Portal	Access the IAIA community systems with a single sign-on. You log in once here, then convenient buttons allow you to sign-in to the other systems without re-entering your username and password.	 Logging in & Tutorial

Note: Readmit students, your email may be FirstInitialLastName@iaia.edu – Example jbegay@iaia.edu

Your Login Details
