IAIA MOVES FORWARD

PLAY A PART IN THE ACTION!

THE NEW PERFORMING ARTS & FITNESS CENTER

PUT YOUR NAME ON CAMPUS

IAIA invites you to play a part in the action as we move forward, providing our students with a new building to house the dynamic performing arts and fitness programs.

With a gift of \$750 or more, a granite paver can be inscribed on IAIA's campus to honor or remember a student, alumnus, faculty member, loved one, or your entire family – or let us thank you by including your name as part of the entry courtyard.

Every gift can help IAIA build an extraordinary Performing Arts and Fitness Center for students, the community – and for the future.
