

CONTINUE YOUR EDUCATION WITH IAIA

Institute of American Indian Arts (IAIA) Continuing Education (CE) is committed to providing comprehensive training and adult education for the advancement and growth in workforce skills, lifelong learning, and empowerment through community-based learning opportunities. IAIA CE formally recognizes learning by issuing Continuing Education Units (CEUs) and IAIA Badges to participants that have completed CE courses, workshops, or training sessions. CEUs and Badges are also offered for educational programming presented by external organizations across the country. IAIA CE Badges are also a means to recognize learning and can be utilized in resumes, posted to social media, and shared across online platforms.

PARTNER WITH CONTINUING EDUCATION

If your organization would like to partner with IAIA CE to provide CEUs and Badges at your training events or if you would like to suggest or teach a course, please fill out the online form on the IAIA CE website: www.iaia.edu/ce.
